Open to anyone aged under
18 years at midnight on
August 31st 2009

A six round Swiss tournament with
four sections:

Under 18 major and minor
Under 11 major and minor

Major/minor sections

Minor sections are for weaker players and those new to tournament chess. You should indicate the preferred section on your entry form according to the strength of the player. Anyone who has played for a county team or is aspiring to county standard should enter the major section. The tournament organisers reserve the right to place a player in the major section if they consider this to be appropriate. A player may 'play up' if they wish.

Rate of play

Players will have 30 minutes each, on a chess clock, to make all moves in each round, ECF rapidplay rules will apply. A brief explanation is always given at the start of the competition for those not familiar with chess clocks.

Prizes

- Cash prizes for U18 major section
- Trophies for the top three places in each of the other sections
- Trophies for the top placed player in each age group from U7 – U10 from either (but not both) of the under 11 sections. No player may win more than one trophy
