## Training for beginners

Half day training (2½ hours) - especially suitable for beginners and younger children whose concentration spans may be limited  
**from 10:00am or from 1:30pm**  
(register 15 minutes earlier for a prompt start)

## Full day training

Suitable for anyone who is keen and necessary for juniors aspiring to one of the county teams.

### Registration

At 9:45am latest, we will let you know which group you are with and how the day is to be organised.

### Morning sessions

While concentration levels are good, this is when most of the serious training takes place!

### Lunch break

Approximately 12:30pm ~ 1:30pm

### Afternoon sessions

More loosely organised with games and quizzes. Established favourites are consultation team matches (here 5 juniors and their trainer take on a similar group in a different room!) and simultaneous matches (where some 30 juniors take on a top trainer)

**Finish: at 4:00pm**

## Merit Certificates

Testing for Bronze, Silver and Gold levels can be arranged at training sessions.

## Why not improve your game and make new friends with a little chess training?

### I'm a beginner, is this for me?

Definitely yes. If you like playing chess, then you'll love playing better. Our training sessions are for boys and girls of any level - and we emphasise enjoyment, not just 'classroom' learning.

Our **half-day sessions** are right for you. Mention on your entry form that you are a beginner and we will make sure that you receive the most suitable trainer.

### When are these events?

Each month, usually on Saturdays, between September and June, in different parts of the County.

### Do I have to go to all of them?

No, but most juniors just love coming to see their friends and working their way towards a place in one of the county teams. If you are coming to lots of events, then you should become an SJC member and save money on entry fees.

### Who are the trainers?

We have several International Chess Masters and professional coaches, also club players who have been specially selected for their ability to work with young people. You will be part of a small group - no more than 10 per trainer and usually 7 - according to age and experience.

## Supervision of Children

The organisers and their helpers cannot act 'in loco parentis' for juniors. Parents/guardians are responsible for their children at all times and in all places during this event. Children **under the age of 8 years** will not be allowed to participate unless supervised by a parent, guardian or teacher throughout the whole event. Supervising duties may cover more than one child.

**PLEASE STATE NAME OF SUPERVISING ADULT ON ENTRY FORM.**
